11:15:43 From Stephen Ficklin : Is the workflow building form the same interface provided by Galaxy or is it specific to SciApps?
11:18:18 From Stephen Ficklin : Great. Thanks
11:22:40 From Stephen Ficklin : How was that metadata provided for that file? Was it provided by the user when importing?
11:34:45 From iPlant Announce : CyVerse maintenance schedule is posted on the DE as well as on our website.
11:36:37 From Stephen Ficklin : Thank you!
11:47:22 From Nic Herndon to All Panelists : Can users import workflows from a Galaxy instance?
11:50:01 From iPlant Announce : Please join us 9 Feb for our next Focus Forum Webinar on iMicrobe: Streamlining CyVerse Resources for Microbial 'Omics Research   http://www.cyverse.org/webinar-imicrobe
