

# BLAT\_psl\_to\_SAM

## BLAT\_psl\_to\_SAM

### Description and Quick Start

This is a script to convert psl files produced by BLAT into the SAM file format. No real quality scores are entered.

### Test Data

/iplant/home/shared/iplantcollaborative/example\_data/Blat\_psl2sam

### Input File(s)

Input a PSL file from BLAT

### Parameters Used in App

No options are recommended. Don't use these unless you wrote the script!

### Output File(s)

A SAM file. Probably no header.
