Title	Type	Date(s) MM/DD/YYYY	Location	CyVerse Contact	Local Contact	Notes
PAG XXIII	Conference	01/12/2019 to 01/16/2019	San Diego, CA	Jason Williams		see website page for list of CyVerse/related events
FFW: Make your life (and analysis) easier with containers	webinar	Jan 25	virtual	Tina	Julian P (presenter)	wiki page materials
DNA Subway Green Line Webinar (RNA-Seq with Kallisto and Sleuth)	webinar	Feb 1	Virtual	J. Williams		Online webinar on upgrades to Green Line Attendance: 95 Video post: https://youtu.be/eZ6Az9F7E24
Phenome 2019	Conference	Feb 6-9	Tucson, AZ	Tyson, Ramona, Nirav, Julian		CyVerse: Exhibit Table 7; Hilton El Conquistador (Tina help setup/take down) Others attending: David L. Final Slides for Shelley
FFW: Going places with your containers	webinar	Feb 8	virtual	Tina	Tyson S (presenter)	wiki page materials
FFW: BioContainer Bonanza	webinar	Feb 22	virtual	Tina	Amanda (presenter)	wiki page materials
5th Annual meeting of Arkansas Bioinformatics Consortium	Workshop	Feb 25-26	Little Rock, AK	J. Williams	Douglas Rhoads	Jason presented the workshop: CyVerse Cyberinfrastructure for Research and Education in Genomics and Metagenomics Attendance: 25
FFW: Cancelled due to Container Camp	webinar	March 08	virtual			
FFW: Deploying scalable, interactive bioinformatics analyses via VICE (mmtf-pyspark)	webinar	March 22	virtual	Tina	Peter Rose	wiki page materials
Environmental Data Science Inclusion Network	Conference	April 02-04	Boulder, CO	Jason		This NSF INCLUDES activity is a network focused on increasing diversity in data science. Jason presented a lightning talk and distributed CyVerse materials. Agenda . (~110 attendees).
FFW: Doing metagenomic analyses with QIIME 2 using Jupyter Notebooks in VICE	webinar	April 5	virtual	Tina/Shelley	Joslynn Lee	wiki page materials
Get Started with CyVerse Quarterly Webinar	Webinar	April 17	virtual	Jason W.		Registration Attendance: 25
FFW: Nanopore sequencing data analysis in CyVerse Discovery Environment - Part 1	webinar	April 19	virtual	tina	Upendra Devisetty	wiki page materials

FFW: Nanopore sequencing data analysis in CyVerse Discovery Environment - Part 2	webinar	May 3	virtual	tina	Jawon Song (TACC)	wiki page materials
FFW: Scanning and visualizing genomes using Patmatch and Circos in CyVerse.	webinar	May 17	virtual	tina	Wayne Decatur (UMU, SUNY)	wiki page materials
CSHL Frontiers in Plant Sciences course	workshop	Jun 30	Cold Spring Harbor, NY	Jason W.		Attendance: 16
Get Started with CyVerse Quarterly Webinar	webinar	Jul 22	virtual	Jason W.		Attendance: 20
ISMB/ECCB Conference 2019	conference	Jul 24	Basel, CH	Jason W.		Jason delivered the opening keynote for the Education Track Attendance: 150
ISMB/ECCB Conference 2019	conference	Jul 24	Basel, CH	Jason W.		CyVerse Tools and Services: Intro to data/metadata management and sharing demo Attendance: 40
ISMB/ECCB Conference 2019	conference	Jul 25	Basel, CH	Jason W		Launching Data Carpentry Genomics Lessons (lightning talk) Attendance: 90
Swiss Institute of Bioinformatics	seminar	Jul 26	Lausanne, CH	Jason W		Cyberinfrastructure for Scaling Research, Education, and People Attendance: 10
ASPB Plant Biology 2019	conference	Aug XXX	San Jose, CA	Jason W.		~200 Booth visitors
FFW: RNA-Seq Basics using ONT and CyVerse Tools	webinar	Aug 30	virtual	tina	Andrew Nelson, UA	wiki page materials
FFW: Genome assembly using NanoDJ Notebooks in CyVerse	webinar	Sept 13	virtual	Tina L	Tamara Hernandez-Beeftink	wiki page materials
FFW: Metagenomic analysis using NanoDJ Notebooks in CyVerse	webinar	Sept 27	virtual	Tina L	Hector Rodrigues-Perez	wiki page materials
FFW: Git for Mere Mortals	webinar	Oct 11	virtual	Tina L	Meghan Balk	wiki page materials
FFW: Writing and Sharing Computational Analyses using Jupyter Notebooks in CyVerse	webinar	Oct 25	virtual	Tina L	Peter Rose	wiki page materials
Get Started with CyVerse	webinar	Oct 25	virtual	Jason W		Attendance: 7
FFW: Using VICE DESEQ2 for RNA-Seq Differential Expression Analysis	webinar	Nov 8	virtual	tina I	Sateesh Peri	wiki page materials
CyVerse Tools and Services/Reproducibility Workshop	Workshop	Dec 3-5	University of Puerto Rico	Jason W		Jason will give an invited departmental seminar as well as a two-day workshop; sponsored by UPR and NIH BD2K

FFW: Don't let your data drag you down	webinar	Nov 22	virtual	tina l	Ramona Walls	wiki page materials
